MNDA - Recent improvements to terms and conditions are listed below and replace the equivalent clauses:

- 3 months claiming period enhanced to 6 months

Following a review our internal processes, we have now extended the period of time that employees can submit claims across to UK Healthcare.

This is with immediate effect and so all employees now have 6 months from the date of treatment to get their claim across to us.

We strongly recommend you keep this amendment with your policy document in order to maintain an accurate record of the terms and conditions employed.
